

CORDOBA

Décorative Screen

Full Facing Systems for Direct Vent Gas Fireplaces.

CORDOBA DECORATIVE SCREEN FACING

A beautiful fireplace truly is the Heart of the Home. So furnishing the hearth with elements of quality and style is the foundation of the home's design character and quality.

This is our passion at Hearthsides Designs; the exclusive provider of quality, handcrafted hearth furnishings for Desa Hearth Products.

The new Cordoba screen facing by Hearthsides Designs draws on traditional, heavy cast stove styling for a bold, yet classic hearth presentation. It features custom cast aluminum arched top false doors with screen mesh panels and matching heavy duty face frame. Bold design details like heavy rivet heads and hinges provide an authentic, custom look with the added safety and minimum space requirements of a fixed face.

The Cordoba is available in 3 color coordinated designs; custom powder coated for the ultimate in quality and beauty. The system is fully assembled and designed for easy installation on a variety of Fmi, Vanguard and Design Dynamics brand Fireplaces*.

Features:

- Classic, Craftsman Style Cast Aluminum Door Frames with steel mesh panels.
- Heavy Steel Face Frame with Custom Tooled Detailing
- Hinged Control Access Door.
