**ORDERING CUSTOM TRIM?** (available for 3 pc. masonry shrouds only)

- #598 Custom 3 pc. BRASS Trim     YES     NO
- #598-B Custom 3 pc. BLACK Trim     YES     NO
- #598-C Custom 3 pc. CHROME Trim     YES     NO

**IMPORTANT:** If you order the optional 3 pc. custom trim for your masonry shroud, Kozy Heat will allow for the trim & fabricate your custom shroud so that it finishes out to your dimensions written above.

**The following are *MINIMUM* Custom Size Requirements:**

**#911 -**    21½" H (zc)    36" W (masonry) to allow for custom trim only)  
           23" H (masonry)    33" W (zc or masonry) to allow for an on/off-switch hole)  
                                   38" W (to allow for custom trim & an on/off-switch hole)

Please keep in mind that for a perfect 'inside fit', your existing opening would need to be **SQUARE**.

**#911XL -**    25½" H    36" W (to allow for custom trim)

**#911XXL -**    29" H    41" W (to allow for custom trim)

**CHASKA -**    21" H    33" W (to allow for custom trim)

**CHASKA XL -**    24" H    36" W (to allow for custom trim)
