Electric Fireplaces

21" Mini Electric Fireplace

(Pictured above, model VEF21A)

The 21" Mini Electric Fireplace, small and elegant, fits anywhere, great for reduced areas.

Vanguard's Electric fireplaces are the hassle-free solution to add a warm hearth to your home. Plus, they have improved so dramatically with state-of-the-art technology and aesthetic features, that they are nearly indistinguishable from a traditional wood fireplace.

- Hassle-free: just plug in and enjoy
- Save on installation and maintenance
- Convenient remote control allows you to adjust heat, light and flames independently

- New glass front and rolled louvers add beauty and elegance to your fireplace (21", 26" and 32")

- Fireplace ambiance comes alive through:

- natural looking logs, cast from hand carved models
- stunning glowing embers
- more realistic flames, achieved through new "projection" technology

- Designed to complement your primary source of heat with 1500 watts (5000 BTUs) of comfortable heat

- If you find a better spot for your fireplace, just unplug, move it over, and you're set!

26" Compact Electric Fireplace

(Pictured left and below, model VEF26A)

The 26" Compact Electric Fireplace can be installed virtually anywhere in the home.
